I make do anyways though!

Think you've got a logical mind? Put your brain to the test with the puzzles in Brain Games Logic Puzzles. The book, part of the popular Brain Games series, offers more than 200 puzzles that involve powers of reasoning, deduction, and critical thinking, while also appealing to interests in language, mathematics, and other skills. The types of logic puzzles include: Code-doku puzzles to work your planning skills. Word problems to hone your deductive abilities. Star Power puzzles to jump-start your creative thinking. Hashi puzzles to test your visual logic. The puzzles get more challenging as the book progresses, so there's something for novices and experienced puzzlers alike. Solutions to all puzzles are provided in the final section. Brain Games Logic Puzzles is spiral-bound and of ideal size for taking along

in a purse or backpack.
