By Rev. D.H.R. Wow a great book, with a lot of games and puzzles! It can be a challenge but it is a great way to sharpen your minds, at any age!  
6 of 6 people found the following review helpful. Interesting and fun...  
By B. Gordon Bought for vacation. Keeps my mind working!  
7 of 8 people found the following review helpful. Five Stars  
By Robert L Gieber Useful entertaining. I ordered the rest of the series.

This fun collection challenges the reader with a wide variety of puzzles to test both the left and right brain, including language puzzles, memory puzzles, number-based puzzles, and visual mind stretchers. Also included is information about how different parts of the brain work and how to stretch different parts of your brain.
