Emily Marks : Brainy Word Search Puzzles -Themed: Animals and nature (Brainy Puzzles) (Volume 3) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Brainy Word Search Puzzles -Themed: Animals and nature (Brainy Puzzles) (Volume 3):

Nature is all around us. Even if we live in cities and are surrounded by manmade structures and devices, we still relish in the smallest piece of green. Our pets, the scent of a flower, the colors of fall all of this remind us that we also belong to nature and that there is nowhere such beauty, harmony and simplicity that can soothe our hearts and souls. Enjoy these word search puzzles, have fun and keep your brain busy!
