**Barry Rigal : Breaking the Bridge Rules: First Hand Play** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Breaking the Bridge Rules: First Hand Play:

2 of 11 people found the following review helpful. confusing wording  
By Mary Mccullough I got this book immediately - thanks! As far as the book itself goes it's hard to read. Audrey Grant is a much better author. I will reread Barry Rigal's book when I'm a more practiced player and maybe it will make more sense then.  
0 of 0 people found the following review helpful. Rigal is a top pro who writes brilliantly for advanced players  
By Steven Conrad This is not a book for beginners. Barry Rigal is an expert and he writes for advanced players. Audrey Grant is

not an expert. She is not advanced. Audrey Grant writes books for beginners. Barry Rigal gives excellent advice to those for whom this book is intended. He is a first rate author, a bridge professional, and a writer for the Daily Bulletin at the North American Championships. He is a top notch author. (I cannot say that about Audrey Grant.)

This book deals with situations where the player who is on lead - defender or declarer, at the start of the deal or in the middle - needs to do something that involves ostensibly 'breaking the rules'.

About the Author Barry Rigal grew up in the UK and is now a professional bridge writer and commentator in New York. He contributes regularly to various bridge magazines and is the lead VuGraph commentator at World and European events.
