**Mr. Joe Walter Blatnick : Bridge: A Thinker's Game** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bridge: A Thinker's Game:

If you want to get anything from the game of bridge, you must apply yourself. You only get from the game, what you put into it.

About the Author Joe has been an avid bridge player for many years and is respected immensely in this field of Bridge. Teaching locally in Canada and on Cruise Ships on the high seas, has been a passion and has established him as a leader.
