Michael O'Loughlin : Bridge Basic Card Play before purchasing it in order to gage whether or not it would be worth my time, and all praised Bridge Basic Card Play:

1 of 1 people found the following review helpful. Clearly presentedBy M. F. O. LoughlinI recently bought Michael O' Loughlin's book and have been reading a section at a time, practicing the examples that he has laid out and my bridge play has greatly improved. The book is well laid out with clear concise examples of well constructed lessons. Card play and improving at card play are important for both novice and experienced players of the game. I have several bridge books in my collection, but " Bridge Basic Card Play " has become my go to book for improving my game.

Congratulations to Michael for a well thought out and easy to understand book !1 of 1 people found the following review helpful. I love itBy young franEvery chapter is so clear and easy to read. Its the best book on bridge play that I have found since i started learning.
