Larry Cohen, Liz Davis : Bridge Below the Belt before purchasing it in order to gage whether or not it would be worth my time, and all praised Bridge Below the Belt:

0 of 0 people found the following review helpful. Five StarsBy Bernard LittmanA fun book0 of 0 people found the following review helpful. Not Enough BookBy Bill ReichThis book is more than mildly amusing. However, there isn't enough _too_ it. The characters are perhaps not fully fleshed out and the bridge details need a lot more work. Still, it isn't a bad book at all.1 of 1 people found the following review helpful. Not for meBy B. EinhornI didn't care for it at

all. Maybe I was expecting something different. As for "meeting the characters from a tournament" I think this was better done in Mike Lawrence's *Play Swiss Teams with Mike Lawrence*, *Play Bridge with Mike Lawrence*, and *SJ Simons Why You Lose at Bridge*. I found nothing appealing in this book.

Written by a top bridge player and national champion, here is a behind-the-scenes, tongue-in-cheek look at the egos and eccentricities behind the world's most exciting card game.
