Help for Bidding in Bridge By Diane After I read 100 pages of BRIDGE BIDDING MADE EASY I was more confident in my bidding. Also I understood what my partner was telling me about her hand. This is a good book for the not so seasoned bridge player. I would recommend this book to people just starting out playing bridge. Later in the book, I think Kantar goes into more advanced bidding. Good book...serious bridge players must have in their library. Diane Luckett 0 of 0 people found the following review helpful.

Kantar on Bridge Bidding By Etienne A thorough approach to bidding in bridge for seasoned beginners. I find Kantar easy to follow but certainly not simplistic.
