before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bridge Endings - The End Game Made Easy with 30 Common Basic Positions, 24 Endplays Teaching Hands, and 50 Double Dummy Problems:

This is a simple book, aimed at the average bridge player who has not yet learned to recognize and execute end plays. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
