Victor Nico Gardener. Mollo : BRIDGE FOR BEGINNERS. before purchasing it in order to gage whether or not it would be worth my time, and all praised BRIDGE FOR BEGINNERS.:

2 of 2 people found the following review helpful. A mind blowing book for the Bridge noviceBy Manish SamtaniThis is the best book I have come across for someone who is a total beginner at Bridge. The explanation of the basic principles that govern the game, both in the area of card play, as well as bidding, is very simple and lucid. The first two chapters provide the beginner with an introduction to this great game.The remaining ten chapters cover the areas of bidding and card play.I bear testimony to the fact that this book is worth it's weight in gold for the complete beginner.Three cheers for Victor Mollo and Nico Gardener!!!
