**Victor Mollo : Bridge in the Fourth Dimension: Further Adventures of the Hideous Hog** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bridge in the Fourth Dimension: Further Adventures of the Hideous Hog:

2 of 2 people found the following review helpful. A ClassicBy Dustin StoutVictor Mollo's books are simply the most entertaining Bridge books available. The reader is able to identify and relate to each of the characters. Everyone knows a Hideous Hog, Rueful Rabbit, Secretary Bird, and Walter the Walrus. We see these characters every day during Bridge sessions. Mollo has quite the knack for bringing out all of the human qualities expressed at the Bridge table. These series of books are a great read and will forever be considered classics.0 of 0 people found the following review helpful. Five StarsBy gabor fejesa must for every player2 of 2 people found the following review helpful. Highly EntertainingBy Leslie A MundayThe whole menagerie series is excellent. I have not played Bridge for years, re-read this several years later and it is still amazing. How Mollo invents these bridge hands and the situations around their play is quite brilliant.If you understand the subtleties of bridge (particularly the Acol bidding system) these are some of the most entertaining books ever written.To quote the Hideous Hog: "Why didn't you lead a trump, we could have murdered the contract?"A bit unfair to criticise the Rabbit for not leading a trump when he didn't have one."Bah! He didn't even try .."Hilarious stuff.Les.

The brilliant sequel to *Bridge in the Menagerie*, which won the hearts of bridge players 25 years ago. Improve your bridge the painless way with these hilarious and well-loved characters.
