**Victor Mollo : Bridge in the Menagerie The Winning Ways of the Hideous Hog 1965** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bridge in the Menagerie The Winning Ways of the Hideous Hog 1965:

0 of 0 people found the following review helpful. Animalistic BridgeBy Charles A. KennyVarious animals depict Bridge players that you can recognize from your own Bridge set. I guess I would be partial to the Hideous Hog player because I always bid 1 NT so that I get to play game in NT rather than any partner who can't count to 9 tricks.Nice book to show there are many ways to skin a cat or a rabbit in this case unless the rabbit has 4 lucky feet and therefore will be my partner. The book is nice departure from dry Bridge books. I wish I had thought the concept myself.HH and RR0 of 0 people found the following review helpful. Classic!By david smithI love this book! It's not really about learning how to play, but the short stories are entertaining with all the distinct characters! A classic that every bridge player should give a try0 of 0 people found the following review helpful. Fun and bridge. Great combo.By R. BuckleyHilarious and perfect for bridge groupies. I've always loved Victor Mollo's column in the Bridge Bulletin and was disappointed it was no longer there. I have given this wonderful book to 4 other folks that share my love for bridge.

Victor Mollo's Bridge in the Menagerie is on any list of the all-time top ten books on the game. Everyone can relate to the characters (the Hideous Hog, the Rueful Rabbit, Oscar the Owl, and the rest), the bridge hands are brilliant, and the

stories themselves hilarious. This is the book against which all subsequent attempts at bridge humour are measured.  
Bridge in the Menagerie: The Winning Ways of the Hideous Hog. London: Faber and Faber. 1965 Hardcover
