**Walter Blair : Tall Tale America** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tall Tale America:

Walter Blair presents a folksy depiction of heroes Americans had before TV like Paul Bunyan, Mike Fink, Davy Crockett, Febold Feboldson and others. I enjoyed this as a kid and enjoy it more as an adult. Well worth the time to read it.0 of 0 people found the following review helpful. Five StarsBy Lee A.great for my boys0 of 0 people found the following review helpful. Great BookBy BettyGreat stories, well told and humorous. I use the stories in programs that I do for kids.
