William Shakespeare : Taming of the Shrew (Shakespeare Library Classic) before purchasing it in order to gage whether or not it would be worth my time, and all praised Taming of the Shrew (Shakespeare Library Classic):

1 of 1 people found the following review helpful. Don't bother. By Christopher I love Shakespeare. I love Shrew. This version is not only badly formatted, it is missing all of Act II (my favorite part) but also Act III scene I. Also, the "illustrations" are just weird. What on earth does a formal portrait of George Washington have to do with anything? 0 of 0 people found the following review helpful. I have always liked the Arden editions By Frank I have always liked the

Arden editions. However, they are becoming too academic-scholar orientated and less useful for general student use. With this edition, a plus over Brian Morris's Arden 2 is the inclusion in facsimile of "The Taming of A Shew," opening up good discussion of the possible absence in the 1623 Folio of later insertions of Christopher Sly. Apart from some updating that takes in recent productions of "The Taming of THE Shrew", there was little else that struck me as new. 0 of 0 people found the following review helpful. Five Stars By M D great book - lives up to the rating

Taming of the Shrew is a Comedy written by English playwright William Shakespeare, who is widely considered to be the greatest writer of the English language. Taming of the Shrew is a play about a "Shrew," Katharine, and the eldest daughter of Baptista, who becomes a challenge to Petruchio who is seeking a wife. Taming of the Shrew is an important work of William Shakespeares, and is highly recommended for fans of his works as well as those discovering his plays for the first time.
