Raymond G. Frensham : Teach Yourself Screenwriting before purchasing it in order to gage whether or not it would be worth my time, and all praised Teach Yourself Screenwriting:

0 of 0 people found the following review helpful. Great Screenwriting Book By Gary Frencham goes beyond explaining screenplays, the three act structure, jargon and formatting. In fact, he starts at the beginning with ideas and delves into

the complexity of ideas, story building and character development with quite a clever detailed process map - a topic that is usually brushed over or briefly scoped with index cards in other screenplay books. Another feature, I really liked is he gives examples of both wrong and right formatting used in the industry. I borrowed this book a few years ago and didn't get to read it all but wrote down the name and author as a must have on my wish list! 0 of 0 people found the following review helpful. Screenwriting 101 By Francisco Extremely useful book for the people that's starting writing scripts, it suggests a great deal of references that are useful through your creative process, am extremely happy with the content and what I've learned. 0 of 0 people found the following review helpful. I really like teach yourself screenwriting. By Leelee I really enjoy reading the screenwriting book in my spare time. The book had arrived in good condition in the mail almost looking brand new.

Ideal for self-starters enhancing their knowledge bank, students needing further explanation, or trivia buffs.

'Everything that you need to know can be found between these covers.' -- Total Film Magazine '... it is so useful to have the generally accepted industry wisdom laid out for you in such an accessible, clear, entertaining, and above all, INEXPENSIVE format.' -- Andrew Davies, in the foreword to the book 'Raymond Frensham's invaluable guide to writing screenplays, 10th in the film best-sellers...' -- The Independent Arts and Book About the Author Ray Frensham is a film and TV production finance broker and script adviser. He lectures and writes regularly on screenwriting.
