A Little Humor Goes a Long Way By tvtv3 Published by Andrews McMeel Publishing, TEACHER CARTOON-A-DAY: 2017 CALENDAR features about 300 (the weekends are combined for one cartoon) teacher related cartoons by Jonny Hawkins (who has illustrated a great deal for READER'S DIGEST and GUIDEPOSTS). Examples of the type of cartoons in the calendar include one that features two teachers talking to each other and one saying, "I went to a seminar on Common Core, and we all had one thing in common-we despised the instructor," and another one where a student brings an apple iWatch to his teacher. On the back of each cartoon there is either a quote, a word puzzle, a helpful hint, some form of trivia, a joke, or a small game. This little calendar makes a good gift for most teachers or former educators.

The Teacher Cartoon-A-Day 2017 Calendar imparts cleverly cartooned lessons highlighting comical elements from our educational system. The campy cartoons of humorist Jonny Hawkins depict comical schoolroom curriculums,

digital-device mishaps, and silly playground escapades. After all, recess isnt just for studentseducators deserve some fun, too.
