-- 10 scripts in Italian and in English -- Teachers and educators, boost your students fluency, vocabulary development and comprehension with these fun plays written both in Italian and in English. The 10 scripts contained in the book are all reproducible, are written for elementary and middle school children, and cover subjects like Italian holidays and traditions. All the plays use an easy language suitable for beginners and intermediate students. The scripts are made for smaller groups such as after-school programs and homeschoolers, but can be easily adapted to accommodate a larger group of participants. An introduction at the beginning of the book explains how to use the scripts and how to adapt them. Each script is then introduced by detailed information about its subject and its characters. Templates and reproducibles are included at the end of the book, to facilitate staging and performing. Minimal equipment and set up are required, so start acting now!
