Hogswatchnight is fast approaching, and the Hogfather (that jolly fat man who delivers presents to the kiddies) is missing. However, there is another supernatural entity who can be everywhere at once and, most importantly, knows where everybody lives. And Death reckons that with a false beard and a few cushions, it might just work. And while Death is busy working out the mysteries of climbing down chimneys and drinking sherry, it's up to Susan to track down the real Hogfather. It's a dark time of the year. There are monsters afoot. And some of them look just like us. HO HO HO.
