Instagram pageBy RyanThe page quality is lacking but that's probably why the price is low. Funny stuff, but the Instagram page is much better. It's all black and white, too, and no emoji's so it is a different feel.

We've all drunk-texted an ex, but these painfully funny posts from the massively popular Instagram account Texts From Your Ex take things to extremes as they plead, rant, insult and just downright confuse their intended targets. From those with zero shame (asking for their ex's hot friend's number, or complaining that they've been logged out of their ex's Netflix account), to the chancers ('BF?' 'Do I have one?... Yes.' 'Dang.') and the downright deluded ('Would you say you still fantasize about me sometimes?' 'Hahahahaha') and some of the best putdowns you wished you'd thought of ('You liked me.' 'Keyword: liked.') you will simultaneously cringe and cry with laughter at these hilarious exchanges between exes. With never-seen-before ex texts, as well as some of the most laugh-out-loud ones from the Instagram feed, this is the book that will make you laugh your way through a break-up and make you thankful that at least you didn't send texts like these - or at least make you glad you're not the only one.

About the AuthorEstablished in 2014, Unspirational is a dark and mysterious force hell-bent on the eradication of misguided positivity and aiming to provide the world with humor through morbidity, negativity, and brutal honesty. It was founded by social media phenom and television producer, Elan Gale, who still doesn't know what he wants to be when he grows up.
