Toward this end, we are always looking for recommendations to watch and review. This book had several suggestions that reminded us of films that we loved and wanted to revisit. though the descriptions are short and not particularly insightful, there were several reminders of films that we want to revisit. It is a cool reference.0 of 0 people found the following review helpful. Four StarsBy cd listeneruseful3 of 4 people found the following review helpful. 100 films never heard ofBy T. G. GutheilVery interesting, provocative and varied; admittedly, some of the films are extremely well known to buffs and thus do not fit the "never heard of" label, but it is a great start for a Netflix queue or a Blockbuster trip. Unfortunately, since many of these are minor classics, many Blockbuster stores won't stock them -- you need a specialty video store.
