Storyteller:

"If you're ready to graduate from the boy-meets-girl league of screenwriting, meet John Truby . . . [his lessons inspire] epiphanies that make you see the contours of your psyche as sharply as your script." LA Weekly John Truby is one of the most respected and sought-after story consultants in the film industry, and his students have gone on to pen some of Hollywood's most successful films, including *Sleepless in Seattle*, *Scream*, and *Shrek*. *The Anatomy of Story* is his long-awaited first book, and it shares all his secrets for writing a compelling script. Based on the lessons in his award-winning class, *Great Screenwriting*, *The Anatomy of Story* draws on a broad range of philosophy and mythology, offering fresh techniques and insightful anecdotes alongside Truby's own unique approach to building an effective, multifaceted narrative.
