**Jonathan Clements, Helen McCarthy : The Anime Encyclopedia, 3rd Revised Edition: A Century of Japanese Animation** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Anime Encyclopedia, 3rd Revised Edition: A Century of Japanese Animation:

0 of 0 people found the following review helpful. Great ReadBy Steven JordanGreat book, met all of my expectations as a fan. looking forward to a 4th one if he chooses to do that.0 of 1 people found the following review helpful. A list of titles, nothing moreBy Alexander NekrasovSince it's about anime I expected either pictures or good information. It's neither - it's just a dry list of titles with story lines. I guess you could call it an encyclopedia, but it's useless unless you have some very specific question - and then you'll probably find it on the Internet quicker. I failed to see the point of this book1 of 3 people found the following review helpful. informative but dull visualsBy Riley KnightWhile I was a

little disappointed about the lack of pictures, like DVD cover art or some other kind of visual representation of the anime in question, it is definitely very fun to flip through and realize just how much anime is out there.

"Impressive, exhaustive, labyrinthine, and obsessiveThe Anime Encyclopedia is an astonishing piece of work."Neil GaimanOver one thousand new entries . . . over four thousand updates . . . over one million words. . .This third edition of the landmark reference work has six additional years of information on Japanese animation, its practitioners and products, plus incisive thematic entries on anime history and culture. With credits, links, cross-references, and content advisories for parents and libraries.Jonathan Clements has been an editor of Manga Max and a contributing editor of Newtype USA.Helen McCarthy was founding editor of Anime UK and editor of Manga Mania.

10 out of 10 "An even mightier tome than ever before, retaining its status as an absolutely required reference work on a subject too often discussed solely in guesswork and rumor."MYM
