Used to go for the Far Side, but since this is the closest thing to the now defunct comic, it has been a pretty good substitute.0 of 0 people found the following review helpful. Great!By KarenVery cute calendar-- it reminds me of the comic "The Far Side" which I loved. I would definitely get next years too.0 of 0 people found the following review helpful. What better way to start the day than a Argyle Sweater ...By R. DuncanA laugh every morning! What better way to start the day than a Argyle Sweater calendar cartoon. I've been getting these every year for a long time. The humor is great, pointing out our silliness and imperfections with perfect cartoons, and animals.

The Argyle Sweater 2017 Wall Calendar presents a surreal, hilarious (and sometimes punny) look at the world you think you know.Expect the unexpected in this situational comic where animals can talk, the imaginary becomes real to the point of absurdity, and politicians tell the truth. The Argyle Sweater is both cerebral and approachable, thanks to creator Scott Hilburn's sharp wit, visual humor, and childlike imagination. The 2017 edition of the wall calendar

features a full-color panel cartoon of some of his funniest work through the years.
