Tracey Miller-Zarneke : The Art of Kung Fu Panda 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Kung Fu Panda 3:

1 of 1 people found the following review helpful. Four StarsBy P. HoangNice book, and filled with beautiful drawings! love the character design artwork!0 of 1 people found the following review helpful. Buy this book or Po will put you in a wuxi finger hold!By N. W.This is one of my favorite books in my "Art of [insert animated movie here]" collection. It is printed beautifully, written well, and contains tons of stunning art. Being a sequel, this book also sets itself apart from many "Art of" books because rather than putting a lot of focus on stylistic development, it can get more in depth into things like lighting, color, composition, tight character design, storyboarding, further worldbuilding, etc.This book is jam packed with quality art and is split into a character section and a location section. If you are a fan of Nico Marlet, this book is practically mandatory because his designs appear on nearly every page in the character half of the book. There are even a few double page spreads of only Marlet's work! I don't normally go in for the environment side as much usually, because if handled poorly the presentation can become a little repetitive and technical, but the work shown in The Art of Kung Fu Panda 3 is solid. The location section here is kind of a mix of environment design, asset design, and shot/composition exploration.Geez, can you tell I love this book?0 of 0 people found the following review helpful. Five StarsBy Jack D.Brand new book arrived in good condition and well before estimated delivery time.....Nice one!

Featuring concept art as well as exclusive interviews with the movies cast and crew, The Art of Kung Fu Panda 3 offers a behind-the-scenes look at DreamWorks Animations third installment in the popular Kung Fu Panda film

series. Legendary warrior Po the giant panda returns to the big screen in DreamWorks Animations Kung Fu Panda 3, the third installment of the film series that has charmed viewers and critics worldwide. The Art of Kung Fu Panda 3 will provide an exclusive behind-the-scenes look at the making of the movie, with concept art, character designs, interviews with key animation talent, and more. Offering insight into the incredible skill and effort that has gone into the film from start to finish, this comprehensive book will be a must-have for fans everywhere.

From the Back Cover
Legendary warrior Po the giant panda returns to the big screen in DreamWorks Animations Kung Fu Panda 3, the third installment of the film series that has charmed viewers and critics worldwide. When Po's long-lost panda father suddenly reappears, the reunited duo travels to a secret panda paradise to meet scores of hilarious new panda characters. But when the supernatural villain Kai begins to sweep across China defeating all the kung fu masters, Po must do the impossible learn to train a village full of his fun-loving, clumsy brethren to become the ultimate band of Kung Fu Pandas! In the third installment of the beloved action-packed franchise, Jack Black, Angelina Jolie, Dustin Hoffman, Jackie Chan, Seth Rogen, Lucy Liu, David Cross, and other original cast members are joined by newcomers Bryan Cranston, Kate Hudson and J.K. Simmons. Kung Fu Panda 3 is directed by Academy Award nominee Jennifer Yuh Nelson and Alessandro Carloni. The Art of Kung Fu Panda 3 provides an insightful look at the making of the third chapter in the beloved animated franchise. Included in this exclusive behind-the-scenes look is a rich selection of concept art, character backgrounds, design inspirations, and interviews with key members of the creative team. A testament to the hard work, talent, and imagination of the artists who created this hilarious yet poignant comedy-adventure, The Art of Kung Fu Panda 3 will take readers through Po's most epic quest yet.
