Hayao Miyazaki : The Art of Porco Rosso before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Art of Porco Rosso:

0 of 0 people found the following review helpful. Four Stars By Myself Amazing art book, but wish there was more drawings and less pictures from the movie. 0 of 0 people found the following review helpful. Captures the essence of the movie. By Fabio Castro To me this artbook follows the line of the Studio Ghibli artbooks, with a lot of storyboards and beautiful sketches, but with a different content structure. There's even a whole chapter for the "Ships in the Sky" which is awesome. 0 of 0 people found the following review helpful. Love it but.. By Ninja Buy Book was in excellent condition, and has great print quality. So why this rating?! Well, just comparing it to the Totoro book, this book has very few backgrounds. I bought all the Ghibli "Art of ..." books, and the Art of Totoro book was the best in my

opinion. That is only cause I wanted a lot of backgrounds.

In early 1930's era Italy, bounty hunters and high flyers of all sorts rule the skies. The most cunning and skilled of these pilots is Porco Rosso, a man cursed with the head of a pig after watching the spirits of the pilots killed in the last air battle he fought rise to the heavens. He now makes a living taking jobs, such as rescuing those kidnapped by air pirates. Donald Curtis, Porco's rival in the air and in catching the affections of women, provides a constant challenge to the hero, culminating in a hilarious, action-packed finale.

About the Author Hayao Miyazaki is the prominent director of many popular animated feature films. He is also the co-founder of Studio Ghibli, the award-winning Japanese animation studio and production company behind worldwide hits such as PRINCESS MONONOKE, HOWL'S MOVING CASTLE and SPIRITED AWAY.
