It already put a big smile on my face when I opened the mailbox. A great book with tons of illustrations; quality paper, thick and smooth ; a lot of behind scene explanation involving film making and character creation. I could not stop turning the pages. A must have if you are a Miyazaki or Studio Ghibli fan. This is the fast time I ever write a review about a product, within 10 minutes after opening up the package. I cannot wait to share with other fans. Please see my attached photos for your

reference.4 of 4 people found the following review helpful. Really good book for any studio ghibli fanBy Jody L ShellThis is a really cool book, especially for the price. Very high quality paper and overall materials. A must have for any spirited away fan. I will say, there are more still images in the film than I would've liked, but overall its awesome. Any students studying film or screenplay writing or directing should really get this. It has the script in the very back printed on paper like a script is, not glossy; and implements how they put that into film. Really cool book overall I would highly recommend but since I am an art student I definately wish there were more drawings like the picture on the front, even though there are about 100 already!0 of 0 people found the following review helpful. Captivating!By EmilyBeautiful and packaged well! I bought this as somewhat of a "picture book" to show my little one, but it was just too busy and advanced for him... However, I absolutely loved it! I've always been a big fan of Studio Ghibli and Spirited Away has always been my favorite! Very well depicted here. Great buy!

The Art of Spirited Away collects colour illustrations of Spirited Away for the first time in an English edition! This book includes paintings and designs from the new animated film from the director of Kiki's Delivery Service and Princess Mononoke. Large-size, hardcover coffee-table book featuring artwork from the renowned animated film, Spirited Away, directed by Hayao Miyazaki. Features commentary, colour stills, sketches, storyboards, and illustrations used to envision the rich fantasy world of the film. Also includes a complete English-language script.

About the AuthorHayao Miyazaki is the prominent director of many popular animated feature films. He is also the co-founder of Studio Ghibli, the award-winning Japanese animation studio and production company behind worldwide hits such as PRINCESS MONONOKE, HOWL'S MOVING CASTLE and SPIRITED AWAY.
