Ellen Wolff : The Art of The Jungle Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Art of The Jungle Book:

The ultimate behind-the-scenes look at Disney's 2016 live-action/CG adaptation of The Jungle Book. Beautifully designed and packed with behind-the-scenes details, The Art of The Jungle Book provides an in-depth look at Disney's latest film. In this finely crafted book, dazzling concept art, behind-the-scenes photography, CG designs, and more come together to highlight the visual spectacle of the film. Delving into the film's interpretation of iconic Jungle Book elements, from beloved characters such as Baloo and Bagheera to the jungle itself, the book features full-color images and gorgeous double-page spreads to illustrate the magic behind the art of the film. Exclusive interviews with key cast and crew provide context for the incredible imagery, resulting in a truly immersive experience. Colorful and comprehensive, this essential movie companion also provides a fascinating look at how director Jon Favreau and his team used state-of-the-art CG and motion-capture technology to create the film's realistic and stunning visuals, providing an enthralling experience for fans of all ages.
