Needed a book to pass the time in the hospital. It was just what we needed.

I'm a HUGE Calvin and Hobbes fan. HUGE (tattoo and everything). I'm currently stationed in Korea and watched the movie "Dear Mr. Watterson". I realized I needed to get my CH fix re-going. For the cost of having my wife send me a book I just ordered the digital copy and using it on my kindle App.
LOVE ME SOME Calvin Hobbes!
Such a profound impact on my life as a child and growing up. Always brings a smile to my face. I can't wait to get home and start sharing with my boys. So much more pure than the

commercialized garbage out there. Thanks Bill! Corey0 of 0 people found the following review helpful. Five Stars By evon pham Good book
