Sylvia Lawson : The Back of Beyond (Australian Screen Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Back of Beyond (Australian Screen Classics):

The Back of Beyond celebrates the life and times of Australia's best known outback mail man Tom Kruse MBE. Every fortnight he battled isolation, heat, sand dunes and floods to deliver mail and supplies to the families along the 517 kilometre Birdsville Track in central Australia. Representing the complex interrelations of the multicultural community and their environs, the film is considered by many to be one of Australia's premier films, and is an exemplary representation of 1950s Australian transformational culture.
