Dave Nilsen : The Backwoods Guide to Computer Lingo before purchasing it in order to gage whether or not it would be worth my time, and all praised The Backwoods Guide to Computer Lingo:

1 of 2 people found the following review helpful. Great for days when you wish for a simpler time!By James NewtonTastefull (or more so than most), excellent graphics, complete, and very, very funny. An EXCELLENT gift for any computer geek or widow.

The Backwoods Guide to Computer Lingo brings cyberspace jargon down to earth in a way we can all understand and laugh at!
