Paul Busa : The Barbra Streisand Film Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Barbra Streisand Film Guide:

0 of 0 people found the following review helpful. She never stops amazing me with her talent. By Jeffrey R. Bates I have about 25 of the 50+ books that have been written about this incredible woman - director, producer, singer (top female artist in terms of # of records sold world wide), academy award winning actress and composer, philanthropist, activist, cinematographer, screenwriter, designer, and book author. This book provided some new material that I hadn't seen and I think the book is great, definitely a collectible if you are a Babs fan as I am. 1 of 1 people found the following review helpful. Streisand at the Movies By Byron Great photos and history of Streisand's movie career. 0 of 0 people found the following review helpful. Outstanding photo collection of Streisand movie making. By Derek. Many, Many rare and pretty photos of The Greatest Star during her 6 decades of movie making!

The Barbra Streisand Film Guide is the ultimate tribute to the Legends remarkable career. Featuring over 600 rare and amazing photographs, several of which have never been published before. With commentary and interesting facts on her movies, one of the many highlights is the outtake sections, with never-before-seen photos of deleted scenes. Full color paperback, 268 pages.
