Four StarsBy djsweenKept my interest and nice story about the human spirit.0 of 2 people found the following review helpful. ricardos reviewBy RKThe theme of this story is quite simple, and Im sure that when this was first published no one had heard of a candidate running for office that had used electro shock therapy, as we have today. I couldnt even recall that The Best Man was even a movie , but it was in the sixties.and the candidate was in the seventies, I was expecting a little bit more story then 80 pages , but it was interesting any way.Now I will have to look for the movie.
