**Leigh Brackett : The Best of Leigh Brackett: Jewel of Bas; Vanishing Venusians; Veil of Astellar; Moon that Vanished; Enchantress of Venus; Woman from Altair; Last Days of Shandakor; Shannach - The Last; The Tweener** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best of Leigh Brackett: Jewel of Bas; Vanishing Venusians; Veil of Astellar; Moon that Vanished; Enchantress of Venus; Woman from Altair; Last Days of Shandakor; Shannach - The Last; The Tweener:

0 of 0 people found the following review helpful. Bravo leigh BrackettBy john cottinghamAbsolutely wonderful! Leigh Brackett is a first rate story teller. These tales from Startling Stories, Planet Stories and other pulps of the 40's and 50's have not lost a thing since there publication. The material does not seem dated at all even though Mars and Venus are not at all like they were thought to be in those days. A good story transcends that. I intend to keep on exploring the Leigh Brackett catalog.0 of 0 people found the following review helpful. Five StarsBy Carol L. SaseenGreat book4 of 4 people found the following review helpful. why i like space operaBy Alan burlesonOne of my favorite writer ever! She wrote for one of favorite directors : Howard Hawksand she also wrote parts of "The empire

strikes back"
