For Her FansBy Lady LiberTEAFor total fans to enjoy a more intimate peek into our BF/GF Miranda's delightful soul by her humorously annotated photos, TV series script notes, and other "tit-bits" though the body of the book is her TV series scripts and photos I don't mind reading since I've already watched the TV series twice, so it's a fresh take on her forever classic :)0 of 0 people found the following review helpful. Five StarsBy lisaGreat loved it .13 of 13 people found the following review helpful. Can Never Have Too Much MirandaBy Deborah PorterI had seen all the episodes shared in this book, but I still found it a delightful experience to read the scripts enhanced by Miranda's little notes. Being able to picture the stories unfolding just added to the experience. Throw in some behind the scenes information, and this was a wonderful read and great book to add to the Miranda collection. For someone who doesn't like the experience of writing, she does a really good job. There were times I chuckled so much it brought tears to my eyes.One of the things I adore about Miranda's books and show

is the complete absence of coarse language. She is a breath of fresh air. Long may she suffer the pains of writing to bring us pleasure. Highly recommended for Miranda fans and anyone with that slightly off-centre sense of humour.

Well hello to you, Dear Book Peruser and thank you for your kind interest in my book o'Miranda. Here you will find my favourite six scripts, hand-picked from all three series, with introductions by moi, and some other tit-bits, and silliness. Because no book of this ilk should be without tit-bits and silliness. If nothing else it's fun to say tit-bits. Repeat after me: tit-bits. You're welcome. I hope you enjoy seeing the scripts in their pure written form on the page before they translated to what you have seen on screen. And if you're a lovely young person still at school let me know if your drama teacher ever lets you do an episode for the school play. Nothing would make me happier. Though I bagsy play Miranda. Your favourite, number one bestselling, comedian Miranda Hart is giving you an access-all-areas VIP backstage pass to her award-winning sitcom. Miranda Hart has won bundles of awards, written a bestselling book and completed a sell-out nationwide tour. But it was her award-winning BBC sitcom Miranda which first made her a much-loved household name. Miranda's identifiable and loveable character, unique wit and physical comedy struck a chord with millions making the show a national institution and Miranda the "Queen of Comedy". Here Miranda gives us an access-all-areas VIP backstage pass to Miranda the sitcom. The Best of Miranda contains the full scripts of Miranda's six favourite episodes (including her original revises and annotations) so that you can, if you wish to, cast your family to re-enact choice moments in your living room. The book also includes Miranda's own account of just what goes in to the process of writing, rehearsing and filming, hilarious gossip from the making of the sitcom, previously unpublished photographs and material which didn't make the final edits. Other extras include recipes for Gary's favourite cakes, cringeworthy childhood photos of our favourite comedian, a step-by-step guide to making your own Fruit Friends and Vegetapals and a Marry Gary Board Game. The Best of Miranda is a beautiful and hilarious book which will delight Miranda's many fans and earn her many new ones.
