**Bill O'Neill : The Big Book of Random Facts: 1000 Interesting Facts And Trivia (Interesting Trivia and Funny Facts) (Volume 4)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Book of Random Facts: 1000 Interesting Facts And Trivia (Interesting Trivia and Funny Facts) (Volume 4):

3 of 3 people found the following review helpful. Like the other books in this series  
By Josefin johansson I got a email telling my that this book was available to download for free so a grabbed it fast. Like the other books in this series, it's a fantastic and easy going book that works for every situation. Read it on the bus, train or while in the bathroom, it's perfect for that! The book is based on one or two sentence random facts, and I mean random, in random order and everything! Much recommended.  
0 of 0 people found the following review helpful. Just ok...  
By S. McGuinness Bought this as part of a bundle by the author and received vols 1-4. I frequently read the Uncle John's trivia books and find those to be much better written. There are tons of typos/missing words, whoever edited this did a very poor job. I wasn't much of a fan either of subject matter bouncing all over the place and found that several times in the different volumes the same facts were repeated. If you're a fan of trivia books seek out the Uncle John's instead of these.  
1 of 1 people found the following review helpful. Who Doesn't Need Facts?  
By Lori Sylvester This is not a sit and read cover to cover book, but it is a very useful book. It is a book that is filled with interesting bits of information. I am a teacher and have used this book with my students. I read a fact and they must tell me if it is true or false, I have only to change a few words or numbers to make the statement false. They absolutely love it. The only thing that would make it better would be to add some pictures.

Whether you're a trivia newbie, a seasoned veteran of trivia quizzes, or just someone who enjoys learning something new every day, The Big Book of Random Facts is the perfect book for you! We've brought together a collection of amazing facts, funny facts, random facts, and just all around fun facts. Everything here has been carefully researched and each page is bursting with new and interesting trivia just for you! You'll find 1000 exciting bits of trivia in The Big Book of Random Facts ranging from history to sports to geology to movies and dozens of other exciting categories.
