(author) Jenny M. Jones : The Big Lebowski: An Illustrated, Annotated History of the Greatest Cult Film of All Time (Voyageur Press) (Hardback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Lebowski: An Illustrated, Annotated History of the Greatest Cult Film of All Time (Voyageur Press) (Hardback) - Common:

12 of 12 people found the following review helpful. Lot of ins. Lot of outs. Lot of What Have Yous.By Leo V. LaneShort and sweet. This book is a lot of fun. It could be read in cover to cover fashion or you can flip through it and jump in anywhere. Fun, informative, and a lot that I have not read or known before. If you are a fan, this is a must.2 of 2 people found the following review helpful. An excellent companion to The Big LebowskiBy Colin CheongI know there are folks who consider The Big Lebowski (the movie) much ado about nothing - and a little encyclopedia on it with very funny pictures would have even less reason to exist - BUT - it really does give a good insight into the world (and maybe minds) of the Coen brothers as well as the cult following that's grown up around the movie. It doesn't matter if you're a fan or not - you could even be a social anthropologist or film history doctoral student - but this book is just pure fun on its own - and actually begins to make sense once you've also seen the movie. It also alerts you to things to look out for the next time you watch the movie. Again.0 of 0 people found the following review helpful. A

Gift for Every Little Lebowski Urban AchieverBy Michael PettyI got The Big Lebowski book for a friend of mine for his birthday later this year, I'm planning on giving it to him when I see him over Thanksgiving. This book has everything, from great Lebowski trivia to behind the scenes stories, it's definitely worth the buy for any "big" Lebowski fan, and I take comfort in that...

"This is the first comprehensive, highly illustrated analysis of the history, legacy, and cultural significance of the 1998 Coen brothers film The big Lebowski. Author Jenny Jones explores what it is that makes the film so raucous, quotable, memorable, and downright hilarious"--Provided by publisher.
