Robert Ainsley, Alexander C. Rae : The Bluffer's Guide to Computers, Revised: The Bluffer's Guide Series (Bluffer's Guides - Oval Books) before purchasing it in order to gauge whether or not it would be worth my time, and

all praised *The Bluffer's Guide to Computers, Revised: The Bluffer's Guide Series (Bluffer's Guides - Oval Books)*:

All readers need to know on the subject of computers to protect themselves from crashing and burning in social settings.

"The Bluffer's Guide to Computers is genuinely funny, which of course it is designed to be. There is nothing like a good laugh to put matters in perspective. In fact the authors are experts indeed. They need to be to clown about as they do, whilst cleverly covering their subject."--Micro Computer Mart
