**Scott Martin : The Book of Caddyshack: Everything You Ever Wanted to Know About the Greatest Movie Ever Made** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Caddyshack: Everything You Ever Wanted to Know About the Greatest Movie Ever Made:

3 of 3 people found the following review helpful. Lots of disjointed Caddyshack triviaBy Katie SheltonMy favorite part is the interview with Michael O'Keefe. This book, while interesting, is not the average chronological smooth read. It's full of scattered trivia bits, much from the writer obviously having watched Caddyshack frame by frame. Perhaps a little too much golf and uber-detailed Caddyshack info for the average fan, but if you're obsessed like the author with "the greatest movie ever made," this is a must read. For all the spot-on information in the book, I have to say I was perplexed by the author's failure to correctly identify, from the movie, an obvious insider nod to actor Peter Scolari, when Danny Noonan tells his sister, Deb, that "Pete Scolari" will get the training bra back to her real soon. I have always wanted to know which cast or crew member was friends with the future "Bosom Buddies" and "Newhart" star to name drop, but all I got was the author's notion that the bra keeper's name sounded like "Pizza Larry," and a definition of "scalar." However, the book contains much more accurate trivia that overshadows this slight.0 of 0 people found the following review helpful. Save Your MoneyBy Daniel J. MackeyI bought this book because Caddyshack is one of my favorite movies of all time, and I thought I would be getting a 'behind the scenes' kind of book. A book of trivia and interviews with the heavy hitters that made Caddyshack what it is. Although there are elements of all of those things in this book, they are few and far between. For the most part, the writer gives summaries of scenes that take place, which any avid fan is already familiar with. There are pockets of trivia that are interesting, but then there is also minutia that my eyes just drifted past. There are also opinion based theories of why something was done a certain way. This is a book that I wouldn't be mad to get as a gift, but I wouldn't go out and buy

it.0 of 0 people found the following review helpful. Great Read! Very InformativeBy B767CaptainIf you enjoyed the movie, loved the characters, quoted from famous lines or just love golf---this book is for you. Author Martin details the movie by describing the atmosphere around the set, the interaction between the actors, the daily summaries of filming with directors/producers and the general feeling of what it was like to be on set during the filming of this classic comedy. I really enjoyed reading this and it was both informative and funny. Martin did a lot of research and interviewed key actors from the film, and really did a marvelous job of capturing the improvisation of the characters, the general aura of being on set and of the work it took to produce this movie hit. Highly recommended if you're a fan of golf or the movie.

Caddyshack is the ultimate golfer's cult movie. Released in 1980 and starring Bill Murray, Chevy Chase, Rodney Dangerfield, Ted Knight, and others, the movie is unquestionably the raunchiest, funniest golf movie ever made. The Book of Caddyshack gives fans a behind-the-scenes look at this classic comedy and includes:\*Full descriptions of all scenes, with the main action plus what's going on in the background (and there's a lot going on!)\*Details on actors and others involved in the movie: movies and television shows in which they appeared before and after Caddyshack. Where are they now? Some went on to excellent careers, others crashed and burned.\*Key props, such as Rodney Dangerfield's Rolls Royce and his enormous golf bag. Where did they come from? Where are they now?\*How the script progressed from the original to the eventual. The original is in the Caddyshack restaurant in Ponte Vedra Beach near Jacksonville.\*Every possible bit of trivia about the movie and making the movie.\*PGA Tour stars' favorite movie moments.Essentially, as the subtitle says: Everything You Ever Wanted to Know About the Greatest Movie Ever Made

"It's impossible to pour this strange cocktail into a single tumbler, in a search for its meaning, but author Martin stirs its three simultaneous plotlines: Spackler vs. crafty gopher; Noonan against the odds and the establishment's stuffed shirts; and Bushwood's snobs vs. its slobs." (Dave Stubbs Montreal Gazette)About the AuthorScott Martin is a freelance writer and head of Scott Martin Creative Services, a copywriting firm.
