8 of 8 people found the following review helpful. If you like Monty Python you should pull out your cash now!By A CustomerI read this book and couldn't stop laughing! From the inside of the cover (containing a library sign-out sheet filled with famous peoples' poorly forged signatures) to the last page (teach yourself surgery w/ blood stains) the humor is sharp, hilarious, and purely Monty Python. **STRONGLY RECOMMENDED FOR FANS OF THE MOVIES "MONTY PYTHON AND THE HOLY GRAIL", "MONTY PYTHON'S THE MEANING OF LIFE", AND "MONTY PYTHON'S THE LIFE OF BRIAN"**. Also strongly recommended for fans of British comedy and people who love the unusual! PLEASE NOTE- This book has no story to it (excluding a short story here or there)! It is mainly a collection of humorous things (e.g. phony ads, fake articles/magazines, spoofs, and things that defy all explanation).
