Luke Freeman : The Charlie Chan Mystery Movie Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Charlie Chan Mystery Movie Guide:

12 of 12 people found the following review helpful. How can the same book be wonderfully written and hideously written at the same time By Frank Guerrasio How can the same book be wonderfully written and hideously written at

the same time ? Easy. Great research and non-existent editing ! This man knows his Chan films, and writes knowledgably and wittily about them, BUT ---- where was the editor ??? This book is full of typos, spelling and grammar errors, singulars instead of plurals, articles left out, etc., etc. It was a challenge to enjoy, let alone read. And there is no publishing address inside to write to ! I loved reading about the films, but insulted that a publisher would foist such a shabby product onto the public. Disgraceful ! 2 of 2 people found the following review helpful. Thoroughly Enjoyable! By Jeffrey W. Brosnan The author did a great job in reviewing and analyzing all the films in this book. I especially liked his idea of choosing one scene and expounding upon it for each film. I am looking forward to the next book. There is one minor issue-there were several typos that were stood out to the reader. Hopefully this can be remedied. 4 of 4 people found the following review helpful. My favorite guy By stresssing As I was growing up, I loved watching old reruns of Charlie Chan on Saturday afternoons! I was excited to find this guide to know more about the movies and to get a complete list. This will help me to collect all of the DVDs!

Meet Charlie Chan: The inscrutable, irrefutable Chinese-Hawaiian detective featured in 6 books and over 40 films. From country houses in rural England, to secluded castles in the California desert, the seemingly amiable but razor sharp Chan solves murders and uncovers killers the world all over, with the aid, of course, of his Number One and Number Two Sons. Chan may drop his prepositions, but he's never at a loss for words, the philosophical super sleuth also famous for his many wise sayings, such as "kindness in heart better than gold in bank" and "insignificant molehill sometimes more important than conspicuous mountain". An appreciation and celebration of the Charlie Chan films of Twentieth Century-Fox, *The Charlie Chan Mystery Movie Guide* features: - New, detailed commentary, analysis and review on each of the films. - Character study and detailed exploration of the themes and philosophies prevalent through the series. - Cast lists and plot synopses. and - A new take on the age-old Oland vs. Toler debate.
