In a career that spanned eight decades, Christopher Lee (1922-2015) appeared in more than 200 roles for film and

Though he is best known for his portrayal of Dracula in films of the 1950s, 60s, and 70s as well as his appearances in the Lord of the Rings trilogy, Lee also appeared in many other films, including *The Three Musketeers*, *The Man with the Golden Gun*, and *Star Wars*. The *Christopher Lee Film Encyclopedia* encompasses all of the films in the distinguished actor's prolific career, from his early roles in the 1940s to his work in some of the most successful film franchises of all time. This reference highlights Lee's iconic roles in horror cinema as well as his non-horror films over the years, including *The Lord of the Rings* and *The Hobbit* trilogies. Many of the entries also feature Sir Christopher's recollections about the production, as well as the actor's insights about his directors and fellow costars.
