showed up in good shape and quickly! I highly recommend buying everything these folks have to sell, and do it now!

Short comedies Characters: Various males and females, extras In each of these masterpieces from the authors of Four Plays for Coarse Actors, sets collapse, actors fail to appear and props fall to pieces while the casts carry on, believing that the audience won't notice. Moby Dick is an ambitious attempt to reduce the epic novel to a series of quick fire scenes. The Cherry Sisters, a previously undiscovered Chekhov fragment, is a desperately sincere piece with a teary ending (spoiled by a faulty prop that necessitates a standing death). Last Call for Breakfast is an avant garde play shortened because an actor is in the wrong place during a black out. Henry the Tenth (Part Seven) is a rarely performed tragedy with battle scenes that would amaze the bard.
