**Charles Neville Buck : The Code Of The Mountains** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Code Of The Mountains:

1 of 1 people found the following review helpful. An intimate look at mountain life.By Peoria BillVery different from Wm Johnstone's Mountain Men. I learned how Scottish settlers, pioneers turned into the sterotypical mountain folk. This is a story of change and the long final awakening of a yearning to be more than what you were born to. The book

is rated 4 / 5 as it exceeded my expectations. A good read. 0 of 0 people found the following review helpful. Five Stars  
By Linda C Love the mountain history and peek into life in those early days 0 of 0 people found the following review helpful. When I finally got to the middle it became an excellent read. Problem is the author does not do ...  
By John W. Soesbee I started this book at least a dozen times. When I finally got to the middle it became an excellent read. Problem is the author does not do a very good job of getting you to the middle. Very dull at the beginning.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.
