I really like how puns are used by the Author By blue catapillar I really like how puns are used by the Author, "Piers Anthony". I love this series so much, I have purchased all the books of

this series, as I have of, "Incarnations of Immortality". The Incarnations of Immortality" is the first book of that series, as of "Bearing an hourglass", "With a tangled skein", "Wielding a red sword", "Being a green mother. We See England, We See Xanth, We See Mels's UnderpanthIn fact, Gwenny Goblin, Che Centaur and Jenny Elf are just about the only creatures on Xanth who have been spared the sight of Mela Merwoman's undergarment -- preoccupied as they are with helping Gwenny beat out her awful half-brother Gobble for chiefship of the goblin horde. But first they must master space and thyme . . . and find the fabulous egg that sits between the Roc and the hard place. While Mela -- who would gladly relinquish her oft-viewed undies for a new husband -- joins the Adult Conspiracy . . . and quickly discovers the power of a perfect pair of panties!
