He loves them, the only book I can actually get him that he won't give me blank look about. These are great as continuous gifts to a younger one who wants a heart-warming story that they can cuddle up with.0 of 0 people found the following review helpful. Super cute seriesBy greenmamaSuper cute series - our 10 year old loves these books - collection presents an EXCELLENT value over buying the individual books and this particular seller offered an EXCELLENT price - about half of the msrp price.0 of 0 people found the following review helpful. Must have for your cat libraryBy stitchingkittenDo not let "angry" Chi keep you from buying Vol. 3! Chi's adventures are just as fun as they are in Vols. 1 and 2! This sweet little mischief maker is still getting into trouble and discovering

new friends!

Now collected in a larger three-volume omnibus Konami Kanata's *Chi's Sweet Home* is once again shattering all expectations and taking the comics industry by storm. This time *The Complete Chi* collects volumes four through six along with two more comics from Konami Kanata's *FukuFuku: Kitten Tales* series. Volume 3 also contains a special comic announcing the launch of the new *Chi's Sweet Home* anime!

About the Author Konami Kanata was born on July 3, 1958, in Nagano, Japan. A veteran manga artist Konami made her professional debut in 1982 with the serialized comic *Petit Cat Jam-Jam* for Kodansha's seminal shoujo manga magazine *NakaYoshi*. The daughter of an elementary school teacher, most of Konami's stories are for readers of all ages making her one of the most accessible artists in recent history. In her nearly thirty year career, Konami has penned more than a dozen comic series, with the majority of them focusing on cats and pets. Konami is well regarded within the pet-manga community for her keen sense of cat ecology. Her ability to observe and render feline behavior has earned her respect from the Japanese manga community as a whole. While most of her properties were published for a younger female demographic, her most recent series *Chi's Sweet Home* is currently being published by Kodansha's *Morning* magazine, Japan's leading comic magazine for adult readers. Proving that quality can be found even in the cutest of sources. *Chi's Sweet Home* will be Konami's first translated work.
