order. I suppose I expected more about how and why Mrs. Mitchell wrote *Gone with the Wind*. The book gives much more detail on the movie and the characters than the book itself. The TV show could have been left out all together. 2 of 2 people found the following review helpful. Tomorrow is another day! By Bernard Bringe We found the book very interesting. Glad that answers to the questions were in the back. 0 of 0 people found the following review helpful. Fascinating Tidbits By Dorothy G. Contains so many fascinating tidbits about the movie. Easy to read and will be handy to pick up periodically for some light reading to fill the time.
