A fantastic Guidebook to our favourite programBy A CustomerThe Complete Guide to Adventures in Odyssey is a great guide to all the

episodes, characters and story lines of the Focus on the Family Radio Drama Adventures in Odyssey. It has detailed story lines to every episode, bloopers and facts about the episodes and has early photos of the cast and crew. The only downside was the fact there were not many color pictures in the book. But other than that the book was great.

"Is Odyssey a real place? And how old is Connie, anyway?" Here's everything you always wanted to know about "Adventures in Odyssey". And then some. "The Complete Guide to Adventures in Odyssey" takes you behind the scenes for an unprecedented look at the popular, family-centered broadcasts, videos and novels, and the people who create them.
