John A. Williams : The Cost of Deception: The Seduction of Modern Myths and Urban Legends before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cost of Deception: The

Seduction of Modern Myths and Urban Legends:

Have you heard? The president of Proctor and Gamble has ties to the Church of Satan. Infamous atheist Madalyn Murray OHair is on a crusade to stamp out Christian broadcasting. Scientists in Russia actually discovered hell deep inside the earth's core. While these stories are not only outrageous and frightening, they are most of all completely untrue! Even so, these urban legends are proliferated everyday by otherwise well-meaning and sincere Christians who find these stories credible enough to consider true. Author John Williams contends that such hoaxes erode the credibility of Christians in a world where Christian influence is being met by increasing skepticism and gives Christians everywhere the tools to protect themselves from the cost of deception.
