**Julie Sandoval : The Craft of Stand-up Comedy** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Craft of Stand-up Comedy:

0 of 0 people found the following review helpful. Excellent Primer for all By Mike Julie gives the aspiring comic a great outline and platform to begin the process of putting an act on stage. The practice pages, the ideas... they're all designed to allow the performer to gather his or her own thoughts into a cogent routine. Classic styles and techniques are explained to help polish it into a "pro" set. Very well put together.

Stand-up comedian Julie Sandoval discovers the comedian inside of you. Her step by step approach to the art of stand-up comedy will teach you to: \* Overcome your fears \* Write funny material \* Create your stand-up set \* Find your timing \* Define your stage persona This comprehensive course in stand-up comedy will help you join the ranks of professional comedians.

About the AuthorStand-up comedian Julie Sandoval has been performing and sharing her love of stand-up comedy with students for over 20 years. She has broken down the complexities of stand-up comedy into manageable assignments. With her step by step approach she turns students into comedians and the results are hilarious.
