Tom Weaver, David Schecter, Steve Kronenberg, Introduction by Julie Adams : The Creature Chronicles: Exploring the Black Lagoon Trilogy before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Creature Chronicles: Exploring the Black Lagoon Trilogy*:

He was the final addition to Universal's "royal family" of movie monsters: The Creature from the Black Lagoon. With his scaly armor, razor claws and a face only a mother octopus could love, this Amazon denizen was perhaps the most fearsome beast in the history of Hollywood's Studio of Horrors. But he also possessed a sympathetic, poignant quality which elevated him fathoms above the many aquatic monsters who swam in his wake. Everything you ever wanted to know about the Gill Man and his mid-1950s film career (*Creature from the Black Lagoon*, *Revenge of the Creature*, *The Creature Walks Among Us*) is collected in this book packed to the gills with hour-by-hour production histories,

cast bios, analyses, explorations of the music, script-to-screen comparisons, in-depth interviews and an ocean of fantastic photos.
